IV. Approval of Minutes

Mrs. Burr moved that the minutes from the March 20, 2006 meeting be approved. Ms. Eppich seconded the motion. Motion carried with a roll call vote. Mr. Lang, yes; Mr. Benenati, yes; Dr. Bowers, yes; Mrs. Burr, yes; and Ms. Eppich, yes.

V. Financial Report/Current Expenses

The Board members reviewed the March financial report for all funds. Mr. Benenati moved to approve the Current Expenses March 13, 2006 to April 10, 2006. Mrs. Burr seconded the motion. Motion carried with a roll call vote. Mr. Lang, yes; Mr. Benenati, yes; Dr. Bowers, yes; Mrs. Burr, yes; and Ms. Eppich, yes.

VI. Environmental Health Program Update

A. Sewage Rules Update/Discussion
Mr. Weisdack reported that the sewage rules passed Public Health Council in March and would be going before JCARR for approval later this month. They will be taking testimony during the hearing. Frank Gliha, Munson Township Trustee has stated he would like Mr. Weisdack to provide testimony. Mr. Weisdack requested input from the Board regarding this request.

The Board indicated that it probably wouldn’t do any good, but they felt that Mr. Weisdack should provide testimony. Mr. Weisdack stated he would put testimony together and go to the hearing.

Senator Grendell introduced legislation to postpone the implementation of the new sewage rules, but Governor Taft vetoed the bill. The sewage rules will be in place in the beginning of May and then implemented in January of 2007.

Mr. Weisdack and Mr. Benenati provided testimony at a recent hearing and the Ohio Department of Health in regards to the NPDES program. Mr. Weisdack reported that OEPA has initiated the NPDES program under the Clean Waters Act. The Board of Health would be asked to sign a Memorandum of Understanding with OEPA for this program. Mr. Weisdack said he does not recommend the Board sign the MOU.

The local health districts will have to collect a fee from the homeowner and send it to OEPA for any off-lot system. The local health districts will be responsible for everything regarding these systems. They can be fined $25,000 and face felony and civil penalties if erroneous information is submitted to OEPA.

This program will be very labor intensive and expensive to the local health districts. Geauga County Health District will need to hire more sanitarians to cover all of the requirements of this program.

A sewage subcommittee meeting will need to be scheduled in the future to discuss how Geauga County is going to handle both sets of these new regulations. OEPA plans to implement this program at the same time the ODH sewage rules are.

B. Infiltrator

The Board of Health previously approved a variance for a limited number of variances. Mr. Weisdack recommended that the Infiltrator type system be used the same as gravel trenches. The failure rate is less than 1%.

Mr. Benenati moved that the Infiltrator System be taken off the experimental list and moved to the approve system list. Ms. Eppich seconded the motion. Motion carried with a roll call vote. Mr. Lang, yes; Mr. Benenati, yes; Dr. Bowers, yes; Mrs. Burr, yes; and Ms. Eppich, yes.

VII. Personal Health Services Update

The Public Health Infrastructure grant is getting an additional $19,515.00 for GY2006. The money must be used by August 2006. Mrs. Scherer stated that the additional funds would be used to purchase supplies for personal safety equipment for the staff and first responders. It will also be used to purchase another laptop and for training of employees.
Mrs. Scherer reported that interviews for a public health nurse have taken place. Three people turned down the position and one is still considering it.

A. WIC

March was National Nutrition Month. The WIC office had the new food pyramid information displayed. They are currently surveying clients on their satisfaction of service within the Geauga WIC office.

B. Health Education Programs

Kraftmaid recently held their health fair that lasted 3 days. A great deal of health promotion and information on the Health District services was distributed at the event.

Mrs. Scherer reported that Geauga Hospital had invited the GCHD to attend their health fair. She stated that because of short notice, we had to pass on this year’s event but agreed to combine efforts for next year.

The County Commissioners offered a walking and workout health program to employees. For every pound lost, the employee was to donate 1 can to the Hunger Task Force.

VIII. Old Business

A. Private Water Fees (3rd and Final Reading)

Mrs. Burr moved 4.06-1 to approve the 3rd and final reading of the proposed Private Water fees as follows: New/Single/Sample, $275.00; New/Non-Single/Sample, $285; Alteration/Single/Sample, $150.00 and Alteration/Non-Single/Sample, $165.00. F. Auburn Bainbridge Exc./Dominic Bisesi

Mr. Lang swore in Lew Tomsic, Mr. Weisdack and Mr. Tusick again.

Mr. Tusick stated that this was a variance request by Auburn Bainbridge Exc. in behalf of Dominic Bisesi for the existing property located at 9823 South Blvd., Auburn Twp. The request involves section 3701-29-02(G) of the Geauga County Household Sewage Disposal System Regulations which pertains to off-lot discharge. (Written background information was provided to the Board for consideration in this case) Discussion followed.

Mrs. Burr moved to approve the variance as requested. Ms. Eppich seconded the motion. Motion carried with a roll call vote. Mr. Lang, yes; Mr. Benenati, yes; Dr. Bowers, yes; Mrs. Burr, yes; and Ms. Eppich, yes.

G. Edmund Leopold

Edmund Leopold and Ken Winters were present and sworn in Mr. Lang. Mr. Lang swore in Mr. Weisdack and Mr. Tusick again.

Mr. Tusick stated that this was a variance request by Edmund Leopold for the existing property located 7340 Cardinal Ln., Russell Twp. The request involves section 3701-29-02(C) of the Geauga County Household Sewage Disposal System Regulations which pertains to more than one home on a lot. (Written background information was provided to the Board for consideration in this case) Discussion followed.

Mr. Leopold was asking for a variance to install a sewage disposal system for an outbuilding on the property. This building has a shower, sink, toilet, utility sink and other fixtures. The workers on the site use the facilities.

The Russell Township Zoning Inspector sent a letter recommending denial of the variance because of concerns that someone in the future may add living quarter and change it into a dwelling. Discussion ensued as to whether this request really comes under the jurisdiction of the Health District. This facility is being used by workers which make it a commercial application.

Mr. Winters stated that information was submitted to the OEPA. The OEPA referred them to the Health District for approval.

After more discussion, Mr. Leopold and the Board agreed that a pump station could be used to pump the liquid from the sink and toilet to the sewage system for the house.

Mrs. Burr moved to approve the variance as requested. Dr. Bowers seconded the motion. Motion failed with a roll call vote. Mr. Lang, no; Mr. Benenati, no; Dr. Bowers, no; Mrs. Burr, no; and Ms. Eppich, no.
The Finding of Fact was as follows: This is a non-residential application; Approval of the variance would be a violation of the code; and the concern of the Russell Township Zoning office of the future use of this building.

H. Father & Son Septic/Freddie & Helen Wells

Freddie Wells was present and sworn in by Mr. Lang. Mr. Lang swore in Mr. Weisdack, Mr. Tusick and Shawn Powers again.
