V. Environmental Health Program Update

A. Sewage Rules Update/Discussion

Mr. Weisdack stated that he recommends that the Board follow the new State sewage code exactly and that there be no variances.

He indicated that he has been receiving comments from several Amish residents. They are very upset about the new regulations. The Amish community will be having meetings to discuss them.

It is expected that the Ohio EPA will implement the new NPDES permit at the same time the new regulations become effective.
VI. Personal Health Services Update

Mrs. Scherer reported that she recently participated in the State inspection of the Maternity unit at Geauga Hospital. They were cited for a few minor violations, but all in all they did very well.

The public health nurses attended a meeting with the Help Me Grow service coordinators to discuss the new collaboration between both agencies to see children with special health care needs. There wouldn’t be many changes in the way we do things. The meeting was to discuss formal guidelines that the State has set down.

The county tabletop drill will be held July 26, 2006 at Geauga Hospital. There have already been approximately 40 people that have signed up. There will be fire and police in attendance as well.

Mrs. Scherer indicated that she would be going to Thompson Fire Department along with Ken Folsom of DES to give a pandemic flu presentation. Mr. Folsom will be talking about how the EMS would be involved and Mrs. Scherer will be presenting general flu pandemic planning in the county.

Mrs. Scherer recently attended the South Russell Village Council meeting to discuss the use of volunteers in emergency planning. South Russell Village is considering starting a volunteer program such as the one Russell Township has. Bainbridge Township is interested as well.

A. WIC

Wal-Mart is now an approved WIC vendor.

The WIC staff is continuing outreach. Their client numbers are low. Peggy Herman is checking to see if this is throughout the State.

B. Health Education

The theme for this year’s fair booth is Pandemic Flu. The topic will also be focused on being prepared for any type of emergency such as long power outages, floods, etc.

Mr. Weisdack stated that the Newbury Township Trustees requested the Health District do some chemical water testing. Two of the sanitarians set up the Hapsite unit in the community center and took samples today. They are scheduled to go back another day to do more testing.
