V. Environmental Health Program Update

A. Sewage Regulations Update

Mr. Weisdack reported that during a recent conference call, it was reported that the Public Health Council would meet on July 25, 2007 to rescind the 2007 Household Sewage Treatment System rules.

B. Food Service Survey

Mr. Weisdack reported that the Food Service Program will be audited beginning August 8, 2007.
C. Private Water System Survey

Mr. Weisdack reported that the Private Water System Program will be audited beginning July 25, 2007.

VI. Personal Health Services Update

Mrs. Scherer reported that the children’s immunization clinics and well child clinics have been very busy. The summer months are usually very busy for these clinics.

The flu clinics are being scheduled to begin in October this year. In the past, we ordered half of the vaccine from ODH and half directly from the manufacturer. Delivery of the vaccine last year was delayed last year and resulted in a clinic being cancelled. This year, we will be purchasing the vaccine through a distributor even though it will be more expensive. The benefit is that we will receive the vaccine sooner. We will also be purchasing vaccine from ODH but that vaccine must be used only for high-risk individuals.

The Health District has been awarded extra funding from Cuyahoga County through PHI grant for the Cities Readiness Initiative. We will be receiving an extra $15,000.00. These funds must be used for a credentialing system that will be used for volunteers at mass clinics. We must also have a physical security assessment of our building, which will cost $3,000.00. Cuyahoga County will contract with someone who go to each of the local health districts and tell them what their security risks are and make suggestions as to how to improve security.

A. WIC

The Diaper Dash will be held again at the Geauga County Fair. Former Commissioner Bill Repke will be the Master of Ceremonies at the event. Geauga Credit Union has donated $25.00 savings bonds to be given to the winner of each heat.

B. Health Education

Donna Carter presented blood-borne pathogen training for county employees recently at the senior center.
