VIII. Environmental Health Program Update

a. General Information

Mr. Weisdack provided Mr. Gragg with details about the packet of information that the Board members receive every month prior to the regular monthly meeting.

Mr. Weisdack stated he would be bringing a proposal for staff salary increases to the Board next month.

A plaque of appreciation to Ms. Eppich is being made. Mr. Weisdack will ask Ms. Eppich to come to a future meeting so that the Board may present it to her.

b. SB110 (proposed)

Mr. Weisdack stated this bill is in regards to dangerous wild animals and exotic animals. This bill was presented with the jurisdiction being with The Department of Natural Resources. The bill names the local health districts as part of their team if the Board of Health consents to it. The Board of Health would be compensated by payment through a special fund. Mr. Weisdack and Mr. Tusick discussed the possibility of entering into the agreement. Their recommendation is that the Geauga County Health District not become involved in this partnership. The Board agreed that this is not a venture for the Geauga County Health District.

c. Public Health-Futures

Mr. Weisdack distributed information on Public Health Futures. He stated that the Ohio Department of Health is considering reducing the amount of city health departments within the state. They are proposing that the county health departments absorb the city health departments. ODH indicated this would aid in the distribution of grant funds and the reduction of government. Legislation is being proposed that would redefine the way a health department is formed. Mr. Weisdack stated that he foresees this as the beginning of regionalization of the local health districts.

d. USDA Wildlife

USDA sent a memo recently stating that of all the wildlife collected for surveillance within Ohio, there were only two positive raccoons. These were located in Trumbull County.

X. Personal Health Services Update

a. Public Health Emergency Preparedness

The first assessment by the CDC has been delayed until June 12 due to scheduling conflicts with the City of Cleveland, Cuyahoga County and CDC.

The Board was asked to approve a revised GY2012 PHEP budget. This represents an increase of $23,327.00. These funds come from excess ODH preparedness funds. The funds will be used to pay for a portion of the salaries for the nursing director, fiscal coordinator and assistant emergency planner. Supplies will also be purchased with these funds.

The Board was also asked to approve the GY2013 PHEP budget. This budget reflects a $4,512.00 increase over anticipated funds.

b. Nursing Services

The staff continues to develop learning opportunities for KSU Geauga nursing students. Currently, the staff is working with the students to give them a better understanding of public health emergency preparedness and response. This will include building a point-of-distribution (POD).

We have not offered seasonal flu vaccine clinics at the Department on Aging for several years. The staff has been working with the Department on Aging to resume having those clinics.

The Board was asked to approve the GY2013 CFHS grant. The grant will provide the same funding level as in 2012. These funds will enable us to conduct twenty-four Amish Well Child clinics to serve 180 new Amish children under one year old and 120 follow-up children over one year old.

The Board was asked to approve a contract with UH Medical Practice for provision of physician services at the Amish Well Child clinics.

Mr. Mix stated he would be attending the Medicaid/Insurance Billing and Compliance Seminar hosted by the Ohio Public Health Association on April 24, 2012. This seminar will provide information on how changing policies and regulations will affect the health district's immunization programs.

c. WIC

The caseload for March was 817. This is a significant decrease from February, which was 851. Mr. Mix will be meeting with the WIC Coordinator to discuss this decrease.

d. Community Health Assessments and State Health Assessments
Mr. Mix reviewed the County Health Rankings with the Board. Geauga ranked second out of 88 counties in Ohio.

The final Community Health Assessment report will be presented April 18, 2012 at 1:00 pm at the Public Library Administration Building. Mr. Mix stated he hoped some of the Board members would be able to attend.

Mr. Mix participated in two State Health Improvement Plan (SHIP) meetings in March. The committee has identified eleven priorities in three groups including health improvement, service improvement and operational improvement. For each priority, they developed goals, strategies and action steps. Over the summer, the committee will meet in workgroups to improve communication and collaboration with the many agencies already involved. Mr. Mix will be on the workforce development committee.

e. Continuous Quality Improvement/PHAB Accreditation

We have been awarded a second CQI grant for $10,000.00. Mr. Mix attended training in Columbus on March 21. The CQI committee will address PHAB accreditation standards again this year. This year’s project will be to improve our communications with the public. This will include the Geauga County Health District website, news media and printed material. Currently, there are no procedures on how we communicate with the public.
