VII. Environmental Health Program Update

a. Sewage Rules Update

Mr. Weisdack stated that there are several resolutions for the Board to adopt as part of the new rules. Some policies need to be revisited as well.

The prosecutor’s office has given instructions on what needs to be published. We do not have to publish the entire rules as previously thought.

b. General Information

Mr. Weisdack has started getting requests to attend meetings to discuss the sewage rules. He will be attending a meeting being held by the Geauga County Tea Party meeting on January 15, 2015 at the West Woods Center in Russell Twp. They will be providing Mr. Weisdack with a list of questions that will be asked. There will be several other people as speakers also. Mrs. Livers stated that she wanted to attend as well.

VIII. Personal Health Services Update

a. Public Health Emergency Preparedness
Mr. Mix stated that Ebola is back to planning stages. Resources are being reviewed which can be used to stockpile PPE for use by emergency personnel in the immediate future for treatment of Ebola. EMS has been informed they need to look at future supplies as well.

We have received a new shipment of Potassium Iodide (KI) tablets. A press release will be going out after the first of the year instructing interested residents within the 10 mile evacuation planning zone (EPZ) of how to obtain a supply for household members.

b. Disease Surveillance

Mr. Mix stated ODH is reporting a higher rate of flu right now as compared to the same time last year. Hospitalizations across the state are up. In Geauga County, the cases of flu have not increased yet and there have not been any hospital cases at this time.

Pertussis has become nonexistent. We are still under an agreement with Geauga Hospital to test Amish families with no insurance at no cost.

c. Nursing Services

During the month of November, the nursing staff provided two Amish Well Child Clinics, 6 children and adolescent immunization clinics, three Friday Morning Adult clinics, and four Senior Center clinics. Included were physician visits for 37 seniors at the Department on Aging, 24 children at the well child clinics, 422 vaccinations given to 147 children, 31 adult immunizations, 89 flu shots, 5 TB tests and 73 blood pressure screenings. The nurses also provided 21 vision screenings that resulted in providing glasses for 15 children. There were two newborn and two BCMH home visits. Twenty-two communicable disease investigations were conducted in November.

The Board was asked to acknowledge the hiring of Darla Andrews, RN, BSN, MEd as the nursing director. Ms. Andrews has community health education experience, which will be an asset to the Geauga County Health District.

d. WIC

The WIC caseload for November was 727. This is an 11% decrease since October.

The Farmers Market program has concluded for the 2014 season. Geauga WIC distributed $8,640.00 in coupons, which were used by families to purchase local fruits and vegetables at Geauga County farmers markets.

e. Administration

There was no information for this topic.

f. Accreditation

Mr. Mix stated that the Partnership for a Healthy GEAUGA has met two times since November to prepare the Community Health Improvement Plan. There has been an average of 30 to 36 people from more than 40 agencies attending the meetings. Three priority areas have been identified and will be the focus of the improvement plan. They include: increase access and awareness of mental health issues; increase access to healthcare; and increase awareness and treatment options for substance abuse.

The group completed the actions steps for the plan. The Community Health Improvement Plan will be published and announced at the January 2015 meeting of the partnership group.

Mr. Mix discussed the action plan with the Board. This includes increasing public transportation, increasing community education on health insurance and increasing patient success at home.

Mr. Mix reported that we received a $5,000.00 grant from OPHP to prepare our performance management system in 2015, an accreditation requirement.
