VIII. Environmental Health Program Update

a. Sewage Rules

Senator Ecklund has asked Mr. Weisdack to provide testimony for SB118. Mr. Weisdack stated he would be putting testimony together.

b. General Information

Mr. Weisdack informed the Board that the fiscal coordinator has been out of the office with illness. Mr. Mix has stepped in to fill that void. Mr. Weisdack stated he has done a great job.

Mr. Weisdack met with the President and Secretary of the HDAC recently to outline the meeting that will be held March 22, 2016. There were a couple of applicants who have applied to the vacant Board of Health position.

The state recently notified us that we would have to pay approximately $18,000.00 per year to continue to use their internet service. Mr. Weisdack and Mr. Mix are looking into different options. We have been experiencing problems within the last year with service through the state. Sometimes the internet is so slow, it takes minutes for a page to load.

1. Public Entities Pool of Ohio Representative Visit

Mr. Weisdack met with a representative of the Public Entities Pool (PEP) of Ohio recently. As a result of the visit, no recommendations will be submitted. PEP offers some free on-line training as well. Mr. Weisdack will be posting this information for the staff in case they are interested in the training.

2. Health Rankings

Geauga County now rates as number 2 in the state in health rankings. Delaware County is now first in the state.

IX. Personal Health Services Update

a. Public Health Emergency Preparedness

The staff is participating in the Regional EPI Preparedness leading up to the Republic National Convention in July. Geauga County is within the 10 county area that RNC dignitaries, delegates and families will be residing. Procedures are being planned in the event any EPI activities take place. Geauga County Health District signed an MOU years ago to assist with additional resources are needed.

The regional and local Ebola groups continue to meet and are preparing for a tabletop exercise on May 18, 2016 in Beachwood.

b. Disease Surveillance

The disease count for February was 28. There has been increase in flu activity with reports from physicians, schools and the hospital.

c. Nursing Services

During the month of February, the nursing staff provided 3 Amish Well Child Clinics, 6 children and adolescent immunization clinics, 4 Friday Morning Adult clinics, and 3 Senior Center clinics. Included were visits for 18 children at the well child clinics, 223 vaccinations given to 57 children, 17 adult immunizations, 86 BP and 6 TB tests. The nurses also provided vision screenings that resulted in referrals for glasses for 39 children. They also conducted 2
maternal/newborn visits and no BCMH home visits. The staff visited 19 parochial schools providing services to 548 students.

The Board was asked to acknowledge the hiring of Danielle Pearson as PHS secretary.

d. WIC

The WIC caseload for February was 719. This was a 2% decrease since January.

WIC has been asked by ODH to assist in screening clients for children and adolescent vaccine compliance. WIC will request clients to bring their records to the office visits and will copy the records to enter into our HDIS and state immunization system.

Mindy White’s duties as a car seat technician has increased. She is one of a very few certified car seat technicians in Geauga County.

e. Administration

Mr. Mix presented a revised Geauga County Health District organizational chart to the Board. The reorganization includes realigning two supervisor positions in the EH division, moving the nursing director to oversee the PHS division and to appoint Mr. Mix as Administrator to oversee administration. The changes will strengthen our capability as we move forward.

The reorganization also adds two new positions which includes a Health Educator and an Accreditation Coordinator. The Board was presented with job descriptions for the Administrator, Certified Health Educator and Accreditation Coordinator.

The Board was asked to approve the new organizational chart and the job descriptions as presented.

The Board was asked for approval to advertise and hire a Certified Health Educator.

f. Accreditation

On March 25, the staff each will receive 4 hours of QI training provided by Amy Lee, MD, MPH from the Consortium of Eastern Ohio MPH program. The staff will focus on implementation of the Plan-Do-Check-Act (PDCA) quality improvement cycle.

At the conclusion of the training, the staff will form QI teams and will use QI principles and tools to identify, design, test, and implement a solution. This experience will assist the staff to better understand the culture of QI. In addition, this will identify individual QI leaders who will form a QIPM Council for the agency. We will then begin a process of implementing the performance management plan that was created last year and use QI on a regular basis to improve problems identified in the performance management program.

Mr. Weisdack and Mr. Mix will be meeting with Steven Jones, President of UH Geauga to discuss working together for the community health assessment. In addition, the president will be asked for assistance financially for funding the assessment.

Director of ODH held a meeting at the Cuyahoga County Board of Health recently. At that time, he indicated that he would be requiring all local health departments to become accredited by 2020. If health districts do not become accredited, they will be merged with another health department who is accredited. Regionalization was also mentioned if health district is not accredited. The Director also stated that there are no resources to help the local health districts the accreditation process

Mr. Weisdack spoke up at the meeting and voiced his concerns to the Director.
