2008 Children's Immunization Clinics

470 Center St.
Bldg #8

Chardon, OH 44024-1071

(440) 279-1950

We are dedicated to providing public health services by **detecting**, **educating**, and **preventing**, personal and environmental health problems in our community.

Children's immunizations are free of charge to ALL Geauga County residents regardless of income

Non-Geauga County Residents: \$5.00 per child, per visit

The safety of you, your infants, and children are of paramount importance to us. In the event of inclement weather (snow, ice, frigid temperatures) on the day of a scheduled Immunization Clinic, the clinic will be cancelled if the school district, in which the clinic is located, is closed or has early dismissal. By definition, this means:

When Berkshire Schools are closed, Troy Clinics are closed

When Cardinal Schools are closed, Middlefield & Parkman Clinics are closed

When Chardon Schools are closed, Chardon Clinics are closed

When West Geauga Schools are closed, Russell Clinics are closed
