1. LOCATION OF LOT

Parcel # Subdivision Name Twp/Village Street S/L # House#

Exact Location

Is this a lot split? Y / N

3. SIZE OF LOT

Acreage Frontage Back line Depth Side Side

Yes No Any liquid holding device (Jacuzzi, hot tub, etc.) with a capacity greater than 100 gallons?

I understand that household sewage disposal systems are designed based on daily flow rates and that an alteration of the dwelling resulting in an increase in the number of people in the residence affects the operation of the system.

Signature Date

The above information must be complete and the lot property lines, house, well, septic and replacement field locations staked prior to a field evaluation to determine if the lot is suitable for a household sewage disposal system.

NOTICE: Separate permits must be obtained for the installation of water, sewage, or a plumbing system.
