Geauga County Health District to Distribute Potassium Iodide

Chardon, Ohio. - June 29, 2009 – The Geauga County Health District will distribute potassium iodide to Thompson township residents who live within 10 miles of the Perry Nuclear Power Plant. The distribution will take place on July 9th from 3:00 pm until 6:00 pm at the Thompson United Methodist Church located at 6758 Madison Road, Thompson. The number distributed to each resident is based on the number of residents in each household.

Anyone unable to pick up their supply that day can come into the health department at 470 Center Street, Bldg #8 in Chardon weekdays from 8:30 am until 4:00 pm. For any additional information or questions, please call the health department at (440) 279-1950
